

Programme & Details

You can support a child or youth with a sponsorship or a student with an educational sponsorship. The donation amount is debited once a year via the German-registered non-profit Creating Smiles e.V., which has supported the MRCR financially since 2010. They will issue you an annual donation receipt. As all employees at Creating Smiles e.V. are volunteers, 100 percent of your donation will be used to directly support the children and youths.

<u>Sponsorship:</u>							
Costs:	245€/year (higher voluntary payments are possible)
